THE NEW EASY-TO-USE
**SUCCESS
 GUARANTEED**
 TANDY 1000 RLX

MEET THE NEWEST MEMBER OF THE TANDY 1000 RL FAMILY

Now you can come home to an easy-to-use PC, and still use the powerful business programs you use at the office. With its fast 286 microprocessor and VGA graphics for rich color displays, the new Tandy 1000 RLX is the PC of choice for today's working families. Of course, you also get the software that's helped make our original Tandy 1000 RL an overnight classic! DeskMate® and DeskMate Home Organizer combine 24 home-oriented solutions—just what your family needs to tend to the business of running a home. Come see the new 1000 RLX by Tandy, America's leader in PC compatibles.

SAFEGUARDING
the ENVIRONMENT

HURRY UP!
LET'S DUMP
THIS JUNK!

AMERICANS COLLECTIVELY
GENERATE 160 MILLION TONS
OF SOLID WASTE PER YEAR
AND HALF OF ALL PRESENT
LANDFILLS WILL BE FILLED
TO CAPACITY BY THE YEAR
2000!

WITH THE CLOSING OF MANY LANDFILLS, SOME DISHONEST INDIVIDUALS USE
ILLEGAL MEANS TO GET RID OF DANGEROUS TYPES OF TRASH AND OTHER
ENVIRONMENTALLY DAMAGING MATERIALS!

CRIMINAL DUMPERS ARE WILL-
ING TO SACRIFICE THE ENVIRON-
MENT IN EXCHANGE FOR FAST
MONEY!

SCRIPT: MIKE PELLOWSKI PENCILLING: HOWARD BENDER INKING: JON D'AGOSTINO LETTERING: BILL YOSHIDA COLORING/PRODUCTION: BARRY GROSSMAN EDITOR: VICTOR GORELICK

THE TANDY COMPUTER WHIZ KIDS (SAFEGUARDING THE ENVIRONMENT EDITION) was produced for the Radio Shack Division of Tandy Corporation by Archie Comic Publications, Inc., 325 Fayette Avenue, Mamaroneck, NY 10543. Printed in the United States of America. First printing July 1991.

ILLEGAL DUMPERS ARE NOT CONCERNED ABOUT THE POLLUTION THEY CREATE OR THE PROBLEMS IT CAN CAUSE!

THAT'S ANOTHER LOAD OF GARBAGE WE WON'T HAVE TO WORRY ABOUT!

RIGHT, BOSS! IT WAS SURE OUR LUCKY DAY WHEN YOU FOUND THIS REMOTE SPOT IN THE WOODS!

HEAD FOR TOWN, PETE...

... WE'VE GOT ONE MORE PICK-UP TO MAKE!

WHAT TO DO WITH ALL THE TRASH AMERICANS GENERATE IS NOT AN EASY PROBLEM TO SOLVE!

HOWEVER, ONE OF THE BEST WAYS TO COPE WITH THE GARBAGE CRISIS IS ...

TO SAFEGUARD OUR ENVIRONMENT WE MUST ALL RECYCLE AS MUCH AS POSSIBLE!

WOW! WE SURE COLLECTED A LOT OF ALUMINUM CANS THIS MONTH!

HI, ALEC!
HI, SHANNA!
WHAT ARE YOU DOING?

HI, JACK! WE'RE RECYCLING... YOU KNOW, PREPARING SOME MATERIALS FOR RE-USE INSTEAD OF JUST THROWING THEM AWAY!

THAT'S RIGHT, JACK! ALEC IS SORTING ALUMINUM CANS FROM STEEL ONES AND I'M SEPARATING GLASS BOTTLES BY COLOR!

CLEAR GLASS GOES IN THIS CRATE AND GREEN GLASS GOES IN ANOTHER!

YOU'RE SURE GOING TO A LOT OF TROUBLE JUST FOR GARBAGE!

YOU'RE WRONG, JACK! RECYCLING ISN'T MUCH TROUBLE AT ALL! IN FACT, WE KIND OF ENJOY IT!

I GUESS THAT'S BECAUSE WE LEARNED HOW IMPORTANT RECYCLING IS TO THE PRESERVATION OF OUR ENVIRONMENT!

RECYCLING NOT ONLY SAVES SPACE IN LANDFILLS, BUT IT SAVES ENERGY, TOO!

INSTEAD OF USING MORE ENERGY TO CREATE NEW CANS AND GLASS, RECYCLING CONSERVES ENERGY BY REUSING OLD ONES!

DID YOU KNOW THE ENERGY SAVED BY RECYCLING JUST ONE GLASS BOTTLE WILL LIGHT A 100-WATT LIGHT BULB FOR FOUR HOURS?

WOW! THAT'S A LOT OF ENERGY!

YOU'VE CONVINCED ME TO START RECYCLING, TOO! BUT HOW DO I GET STARTED?

GETTING STARTED IS SIMPLE, JACK!

WE USE CRATES TO KEEP OUR RECYCLABLE MATERIALS SEPARATE!

BUT BAGS OR ANY KIND OF BOXES WORK JUST AS WELL!

TO PREPARE BOTTLES TO BE RECYCLED, YOU HAVE TO REMOVE ALL CAPS, CORKS AND RINGS ... PAPER LABELS CAN BE LEFT ON!

NEXT YOU RINSE OUT THE BOTTLES AND SORT THEM BY COLOR! YOU NEED SEPARATE CRATES FOR GREEN, BROWN AND CLEAR GLASS!

STEEL CANS NO LONGER NEED TO BE DE-LABELED TO BE RECYCLABLE! AND YOU DON'T HAVE TO CUT THE ENDS OFF EITHER!

THAT'S RIGHT! THE SHREDDING PROCESS AT THE RECYCLING PLANT NOW TAKES CARE OF THAT!

GEE ... I NEVER REALIZED RECYCLING CANS AND BOTTLES WAS SO EASY!

I JUST WISH MORE FAMILIES WOULD REALIZE HOW IMPORTANT IT IS TO RECYCLE!

IN A TOWN OF 50,000 PEOPLE LIKE OURS, 1,400 TONS OF STEEL CANS ARE DISCARDED EACH YEAR!

AMERICANS THROW OUT 28 BILLION BOTTLES A YEAR! BOTTLES MAKE UP 8% OF ALL SOLID WASTE IN THE UNITED STATES!

PHEW! THAT'S A LOT OF STEEL CANS AND BOTTLES! BUT WHY DO YOU KEEP ALUMINUM CANS IN A SPECIAL PLACE?

WE USE ALUMINUM CANS WE SAVE AND FIND TO MAKE EXTRA SPENDING MONEY!

COLLECTING ALUMINUM CANS AND SELLING THEM TO A SCRAP DEALER IS VERY PROFITABLE!

YOU MEAN YOU MAKE SPENDING MONEY BY RECYCLING?

WE SURE DO! COME ON! I'LL SHOW YOU HOW MUCH WE'VE EARNED ON MY COMPUTER!

MINUTES LATER AT ALEC'S COMPUTER...

THERE! THAT'S WHAT WE'VE MADE SO FAR THIS YEAR!

HOLY SMOKE! THAT'S A LOT OF EXTRA CASH!

RECYCLING ALUMINUM IS BIG BUSINESS, JACK! SOME AMERICAN COMPANIES EARN 2 TO 3 MILLION DOLLARS A DAY RECYCLING ALUMINUM CANS!

AND THERE ARE PLENTY OF ALUMINUM CANS TO RECYCLE!

AN AVERAGE AMERICAN USES ABOUT 1,500 CANS A YEAR!

HEY! I HAVE AN IDEA! SINCE OUR CLASS IS STUDYING THE ENVIRONMENT, WHY DON'T WE START A RECYCLING PROGRAM AT SCHOOL?

THAT'S A GREAT IDEA, JACK!

IT SURE IS!

LATER AT SCHOOL.

I THINK JACK'S SUGGESTION OF ESTABLISHING A RECYCLING PROGRAM AT SCHOOL IS A TERRIFIC IDEA! LET'S PUT IT TO A CLASS VOTE!

Recycling Program

ALL IN FAVOR OF STARTING A SCHOOL RECYCLING PROGRAM PLEASE RAISE YOUR HANDS!

THE MOTION IS CARRIED! NOW WHAT ARE SOME WAYS WE CAN RECYCLE HERE IN SCHOOL?

WE CAN SAVE OLD COMPUTER AND SCHOOL PAPERS, MRS. WILSON!

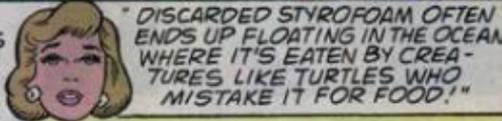

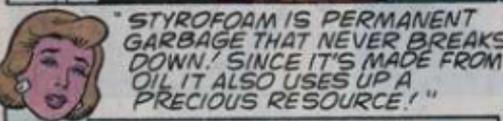

GOOD IDEA, ALEC! ARE THERE ANY OTHER SUGGESTIONS?

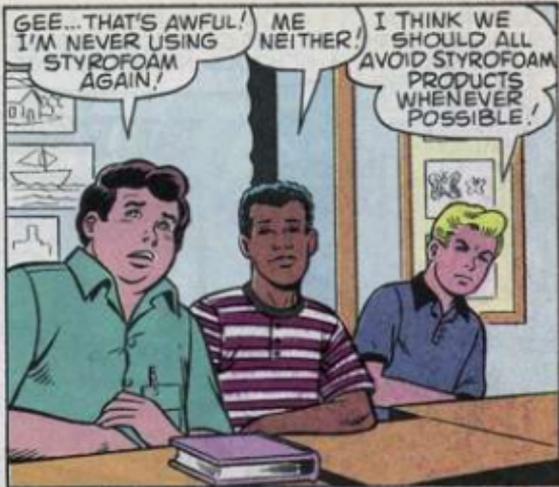

WE CAN RECYCLE CANS FROM THE SODA MACHINE IN THE TEACHERS' LOUNGE!

AND WE CAN RECYCLE GLASS, CANS AND THINGS FOOD SUPPLIES COME IN FROM THE CAFETERIA!

OUR PRINCIPAL, MR. KLINE, SURE LIKED YOUR IDEA OF VIDEO TAPING THE CLEAN-UP PROCESS, SHANNA!

I KNOW, HE PLANS TO SHOW THE TAPE TO OTHER CLASSES AND SCHOOLS IN OUR DISTRICT!

ALL OF THAT PLANNING MADE ME HUNGRY! LET'S STOP FOR A HAMBURGER!

BURGERS TO GO

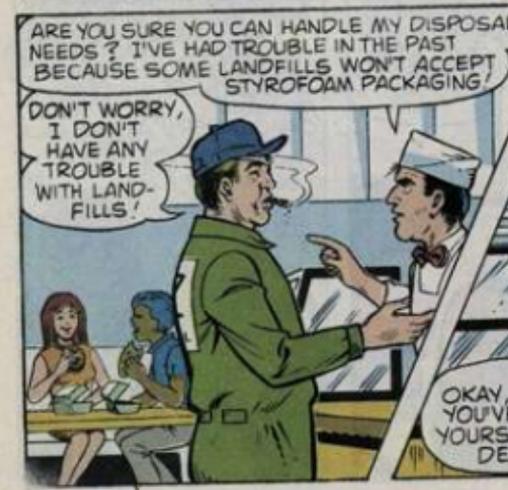

I'LL BUY!

THANKS, JACK, BUT I DON'T THINK WE SHOULD PATRONIZE THIS PLACE, THEY USE STYROFOAM PACKAGING!

YOU'RE RIGHT, ALEC! LET'S GO TO THE PIZZA PLACE AROUND THE CORNER!

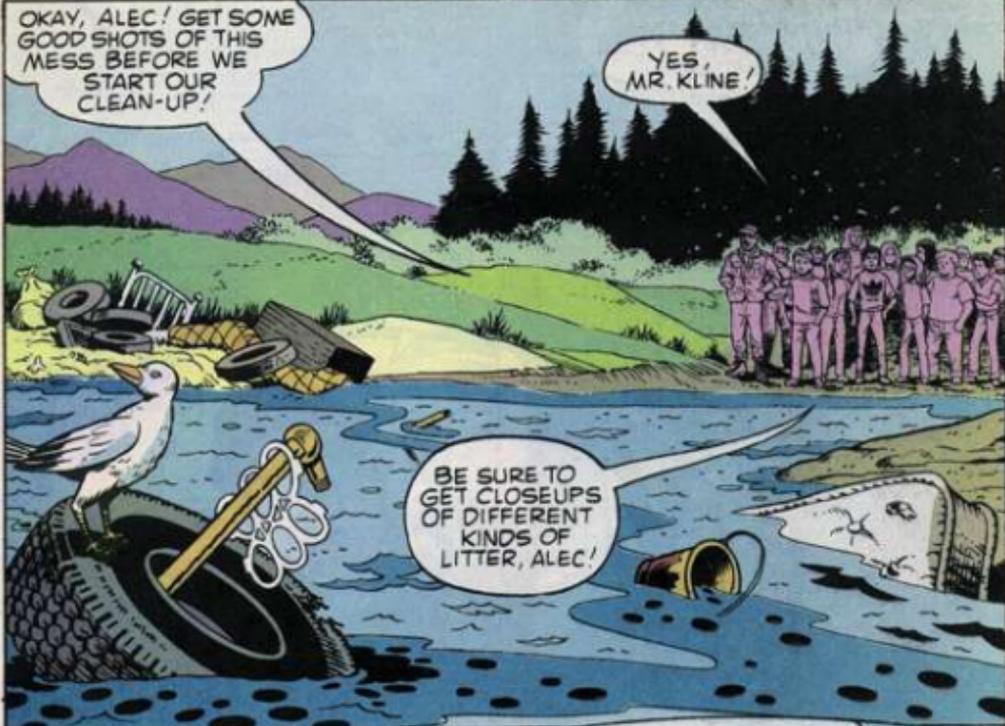

ARE YOU SURE YOU CAN HANDLE MY DISPOSAL NEEDS? I'VE HAD TROUBLE IN THE PAST BECAUSE SOME LANDFILLS WON'T ACCEPT STYROFOAM PACKAGING!

DON'T WORRY, I DON'T HAVE ANY TROUBLE WITH LAND-FILLS!

E-Z DISPOSAL WILL TAKE GOOD CARE OF YOU... AS LONG AS THE PRICE IS RIGHT!

OKAY, NICK! YOU'VE GOT YOURSELF A DEAL!

OKAY, ALEC! GET SOME GOOD SHOTS OF THIS MESS BEFORE WE START OUR CLEAN-UP!

YES, MR. KLINE!

BE SURE TO GET CLOSEUPS OF DIFFERENT KINDS OF LITTER, ALEC!

I WILL, SHANNA, THIS TANDY CAMCORDER MAKES VIDEO TAPING A BREEZE!

THERE SURE IS A LOT OF WORK TO DO AROUND HERE!

WHEN PEOPLE SEE THIS TAPE MAYBE THEY'LL THINK TWICE ABOUT LITTERING IN THE FUTURE!

SHORTLY... THERE! I'VE GOT PLENTY OF FOOTAGE! NOW THE REAL WORK CAN START!

OKAY, EVERYONE! IT'S TIME TO GET BUSY!

LET THE CLEAN-UP BEGIN!

THE VOLUNTEER CREW STARTS ITS CLEAN SWEEP OF TADPOLE CREEK!

IF PEOPLE KNEW HOW DANGEROUS SIX-PACK RINGS LIKE THESE ARE TO ANIMALS AND BIRDS THEY WOULD DISPOSE OF THEM PROPERLY!

YOU'RE RIGHT, SHANNA!

SIX-PACK RINGS CAN BE DEATH TRAPS FOR BIRDS, ANIMALS AND EVEN FISH!

"BIRDS SOMETIMES GET THEIR BEAKS STUCK IN THE PLASTIC SIX-PACK RINGS AND END UP STARVING TO DEATH!"

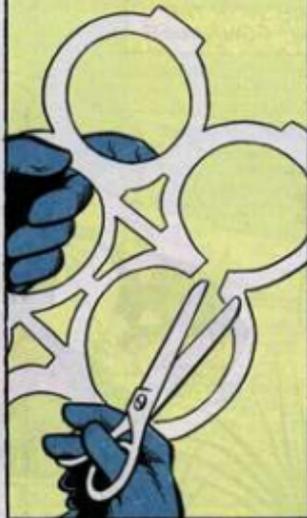

"SMALL ANIMALS AND FISH OFTEN END UP GETTING TANGLED UP IN SIX-PACK RINGS, TOO!"

THERE'S ONLY ONE SAFE WAY TO GET RID OF SIX-PACK RINGS!

FIRST YOU CUT THROUGH EACH AND EVERY RING!

THEN YOU PUT IT IN A PLACE WHERE IT CAN BE DISPOSED OF PROPERLY!

HERE, SHANNA / LET'S TRADE PLACES FOR AWHILE! / YOU VIDEO TAPE WHILE I DO SOME CLEANING!

SURE, ALEC! / WE'LL TAKE TURNS!

DON'T PEOPLE KNOW THAT DEER AND OTHER ANIMALS...

...CAN CUT THEIR TONGUES ON HALF-OPEN CANS LIKE THESE?

I GUESS NOT JACK... OR MAYBE THEY JUST DON'T CARE!

PEOPLE DON'T REALIZE ALMOST ALL LITTER IS DANGEROUS! SMALL ANIMALS SEARCHING FOR FOOD SOMETIMES GET THEIR HEADS STUCK IN CONTAINERS LIKE THESE!

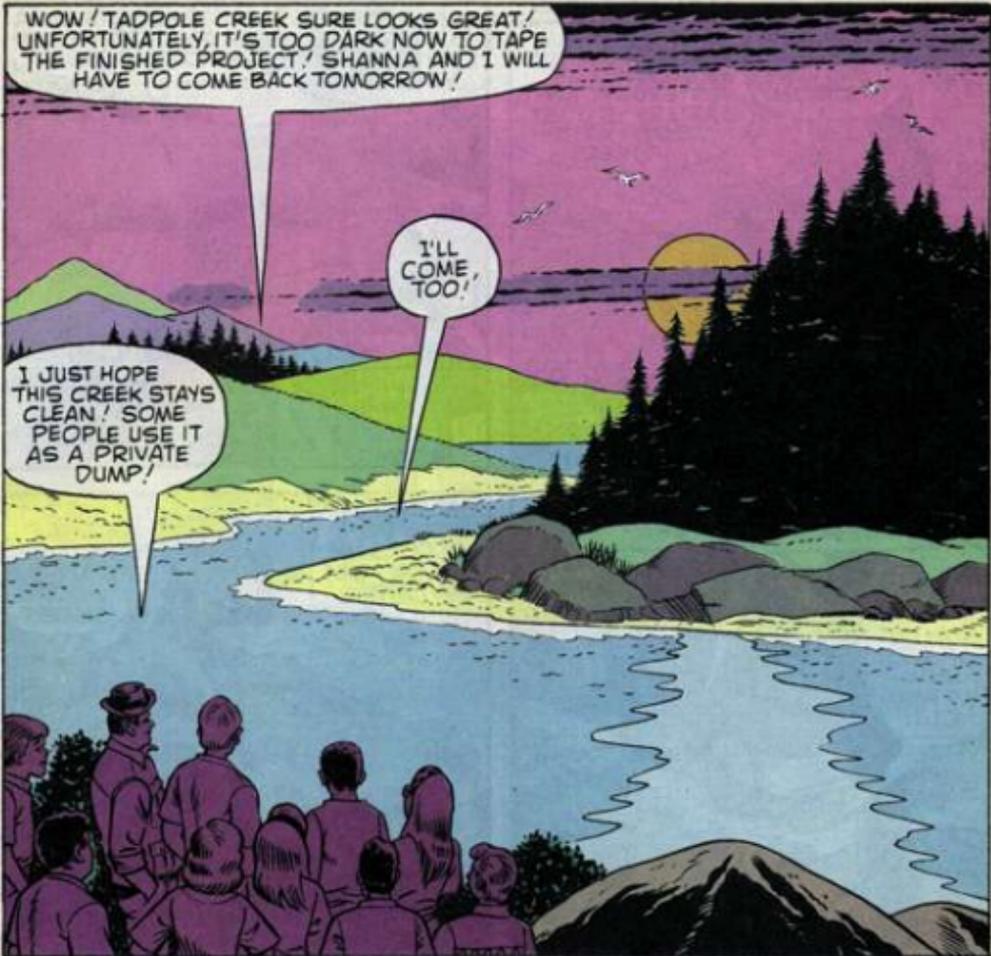

EVEN CIGARETTE BUTTS AND SMALL PIECES OF STYROFOAM ARE HARMFUL! ANIMALS EAT THEM BY MISTAKE AND END UP CHOKING!

THE BEST WAY TO KEEP ALL ANIMALS SAFE IS NOT TO LITTER AT ALL!

ALEC AND SHANNA TAKE TURNS WITH THE CAMCORDER AS THE CLEAN-UP CONTINUES THROUGHOUT THE DAY!

WOW! TADPOLE CREEK SURE LOOKS GREAT! UNFORTUNATELY, IT'S TOO DARK NOW TO TAPE THE FINISHED PROJECT! SHANNA AND I WILL HAVE TO COME BACK TOMORROW!

I'LL COME, TOO!

I JUST HOPE THIS CREEK STAYS CLEAN! SOME PEOPLE USE IT AS A PRIVATE DUMP!

BUT THAT'S ILLEGAL! THIS IS ALL PUBLIC LAND!

YOU'RE RIGHT JACK, BUT IT'S TOUGH TO PROSECUTE SUSPECTED ILLEGAL DUMPERS! YOU ALMOST HAVE TO CATCH THEM IN THE ACT!

MAYBE YOUR VIDEO WILL MAKE PEOPLE MORE AWARE OF THE PROBLEM!

RIGHT NOW, I SUGGEST WE CALL IT A DAY!

WE'VE SURE WALKED A LONG WAY UPSTREAM!

YES! I DIDN'T REALIZE HOW MUCH WE CLEANED UP YESTERDAY! MY BATTERY IS JUST ABOUT OUT OF POWER!

THERE GOES THE BATTERY! WE CAN'T TAPE ANY MORE NOW!

HEY! IT SOUNDS LIKE A CAR JUST STOPPED ON THE ROAD ABOVE US!

IT'S A PICKUP TRUCK! I WONDER WHAT IT'S DOING WAY OUT HERE?

MAYBE WE'D BETTER STAY OUT OF SIGHT UNTIL WE FIND OUT!

BECAUSE OF THOSE DO-GOODERS WE COULDN'T GET RID OF THIS JUNK UNTIL NOW!

WHY DON'T WE TAKE IT TO THE DUMP SITE IN THE WOODS, BOSS?

THIS GULLY IS GOOD ENOUGH! I WOULDN'T JEOPARDIZE ANYONE FINDING THE OTHER SITE BY TRUCKING IN SMALL STUFF!

BESIDES, WE HAVE A BIG LOAD TO DUMP THERE TOMORROW MORNING!

HURRY UP, PETE! WE'VE BEEN HERE TOO LONG!

THESE ARE THE LAST ONES, BOSS!

LOOK AT THE MESS THOSE ILLEGAL DUMPERS MADE!

COME ON! LET'S SEE IF WE CAN GET THEIR LICENSE PLATE NUMBER!

WHAT GOOD WILL THAT DO ALEC? MRS. WILSON SAID YOU PRACTICALLY HAVE TO CATCH ILLEGAL DUMPERS IN THE ACT!

JACK'S RIGHT! IT WILL BE OUR WORD AGAINST THEIRS!

IT'S TOO BAD MY BATTERY GAVE OUT! I COULD HAVE VIDEO TAPED THEM DUMPING THOSE TIRES!

THAT'S IT, ALEC! WE'LL VIDEO TAPE THOSE ILLEGAL DUMPERS!

WHAT DO YOU MEAN, SHANNA?

THEY SAID THEY'RE GOING TO DUMP A BIG LOAD AT A SECRET SITE NEAR HERE TOMORROW!

IF WE CAN FIND THE SITE, MAYBE WE CAN TAPE THEM DOING SOME ILLEGAL DUMPING!

GOOD THINKING, SHANNA! THEN WE CAN TURN TO THE AUTHORITIES...

... AND HAVE THEM DEAD TO RIGHTS!

COME ON! LET'S SEARCH UPSTREAM FOR THAT SECRET DUMP SITE!

WE'RE RIGHT BEHIND YOU, ALEC!

THIS IS IT!

GULP! I NEVER KNEW AN ILLEGAL DUMP COULD BE SUCH A DEPRESSING SIGHT!

SEE THAT! I READ THAT A SINGLE GALLON OF PAINT OR A QUART OF MOTOR OIL CAN POLLUTE 250,000 GALLONS OF DRINKING WATER!

GEE ... IF THIS DUMP ISN'T CLEANED UP SOON, TADPOLE CREEK WILL BE TOTALLY POLLUTED!

LOOK AT THIS! STYROFOAM! PLASTICS! WE'VE GOT TO STOP THESE CRIMINALS!

DON'T WORRY, ALEC! TOMORROW WE'LL MAKE A VIDEO TAPE THAT WILL PUT THESE ILLEGAL DUMPERS OUT OF BUSINESS FOR GOOD!

LET'S HEAD FOR HOME! IT'S GETTING LATE AND WE'D BETTER BE HERE EARLY TOMORROW!

YOU'RE RIGHT, SHANNA! LUCKILY, TOMORROW IS SATURDAY!

WHAT UPSETS ME SO MUCH IS... ILLEGAL DUMPERS DON'T JUST COMMIT CRIMES AGAINST A COMMUNITY OR ITS PEOPLE! THEIR CRIME IS AGAINST THE ENTIRE PLANET!

NEXT MORNING AT THE DUMP SITE...

WE HAD TO, JACK! THERE'S NO WAY OF KNOWING WHEN THOSE ILLEGAL DUMPERS WILL SHOW UP!

YAWN! WE SURE GOT HERE EARLY ENOUGH! I'M BARELY AWAKE!

SHANNA IS RIGHT! WE MIGHT END UP WAITING HERE ALL DAY!

IT'LL BE WORTH IT TO GET SOLID PROOF AGAINST THOSE CRIMINAL POLLUTERS!

I JUST HOPE YOUR BATTERY IS CHARGED ENOUGH, ALEC!

DON'T WORRY, JACK! I HAVE PLENTY OF BATTERY POWER TODAY!

WE'D BETTER FIND SOMEPLACE TO HIDE WHERE WE CAN SEE THE WHOLE DUMP SITE!

THERE'S A GOOD PLACE BEHIND THOSE BUSHES! COME ON!

THIS SPOT IS PERFECT! WITH A CLEAR VIEW OF THE ENTIRE DUMP! NOW TO GET THE CAMCORDER READY FOR ACTION!

LATER... WE'VE BEEN WAITING A LONG TIME! MAYBE WE HEARD WRONG! MAYBE THEY'RE NOT GOING TO DUMP ANYTHING HERE TODAY!

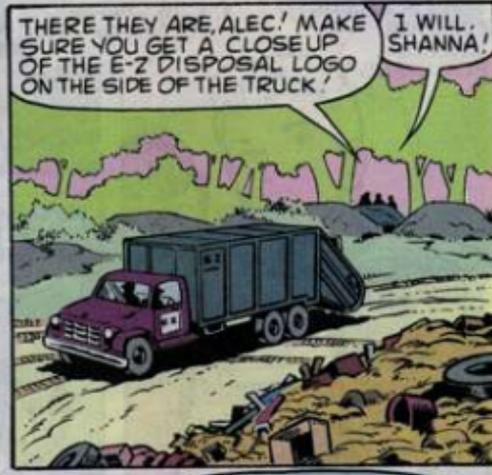

WE HEARD RIGHT! THEY'LL BE HERE!

LISTEN! A TRUCK! IT'S THEM!

QUICK, ALEC! PREPARE TO TAPE!

RIGHT, SHANNA! I'LL BE READY IN A JIFFY!

THERE THEY ARE, ALEC! MAKE SURE YOU GET A CLOSE UP OF THE E-Z DISPOSAL LOGO ON THE SIDE OF THE TRUCK!

I WILL, SHANNA!

OKAY, PETE! THIS IS GOOD! WE'LL DUMP THIS LOAD RIGHT HERE!

AT THIS RATE, I'LL BE A RICH MAN BEFORE ANYONE EVEN SUSPECTS THERE'S AN ILLEGAL DUMP BACK HERE!

HAH!! I TOLD THAT GUY I WOULDN'T HAVE ANY PROBLEM DUMPING STYROFOAM AT THE LANDFILL I USE!

LET'S GO, PETE! WE'RE ALL FINISHED HERE!

HOP IN, BOSS! WE'RE READY TO ROLL!

ANOTHER DAY, ANOTHER DOLLAR! HEH, HEH!

THANKS TO THE EVIDENCE PROVIDED BY ALEC, SHANNA AND JACK, AUTHORITIES QUICKLY CLOSED IN ON THE ILLEGAL DUMPING OPERATION!

BOSS! THE COPS ARE OUTSIDE!

HUH? WE'D BETTER FIND OUT WHAT THEY WANT!

HEY! WHAT'S GOING ON OUT HERE?

NICK JOHNSON AND PETE GREEN, WE HAVE WARRANTS FOR YOUR ARREST ON THE CHARGES OF ILLEGALLY DUMPING HAZARDOUS MATERIAL!

WHA... WHAT? THERE MUST BE SOME MISTAKE! WHAT PROOF DO YOU HAVE?

THESE ARE YOUR RIGHTS...

YOU'RE THE ONE WHO MADE A MISTAKE BY OPERATING AN ILLEGAL DUMP ON PUBLIC LAND!

OH, NO! THEY FOUND THE DUMP, BOSS!

THAT'S RIGHT! WE HAVE MORE THAN ENOUGH EVIDENCE TO CONVICT BOTH OF YOU AND TO CLOSE DOWN THIS DUMPING OPERATION FOREVER!

GRRR...

LATER...
TADPOLE CREEK
IS SURE LOOKING
GOOD!

AND IT'LL LOOK BETTER AND BETTER NOW THAT
THE AUTHORITIES ARE CLEANING UP THAT
ILLEGAL DUMP SITE UPSTREAM!

THE SITE IS
BEING CLEANED!
THE ILLEGAL
DUMPERS ARE
OUT OF BUSINESS!
I GUESS WE CAN
CHALK UP A
VICTORY
FOR THE
ENVIRON-
MENT!

YOU'RE RIGHT, JACK!
THANKS TO ALL THE
PUBLICITY, EVEN THE
BURGERS TO GO RESTAU-
RANT IN TOWN HAS
DECIDED TO STOP USING
STYROFOAM
PACKAGING!

I HOPE NOW TADPOLE
CREEK WILL STAY CLEAN
... GUM ANYONE ?

TADPOLE CREEK
WILL STAY CLEAN
ONLY IF WE
STOP
POLLUTION
... AT ALL
LEVELS!

YIKES! I DIDN'T REALIZE
WHAT I WAS DOING!
SORRY ABOUT THAT!

TO SAFEGUARD OUR ENVIRONMENT,
WE ALL HAVE TO BE AWARE OF
THE GARBAGE WE CREATE...

AND ALWAYS
RECYCLE AS
MUCH AS
POSSIBLE!

Whizkids

12-POINT RECYCLING CHECK-LIST

ALEC SAYS... DO

- SNIP THROUGH ALL SIX-PACK CAN PLASTIC RINGS AND DISPOSE OF THEM AND ALL SOLID WASTE PROPERLY!
- START RECYCLING PROGRAMS AT HOME AND AT SCHOOL!
- SAVE AND BUNDLE ALL OLD NEWSPAPERS!
- ADOPT A PARK OR WILDLIFE AREA AND KEEP IT CLEAN OF LITTER!
- SAVE OLD CANS AND SEPARATE ALUMINUM CANS FROM STEEL ONES!
- RECYCLE GLASS BY REMOVING ALL CAPS, RINGS AND CORKS AND BY SEPARATING JARS AND BOTTLES BY COLOR!

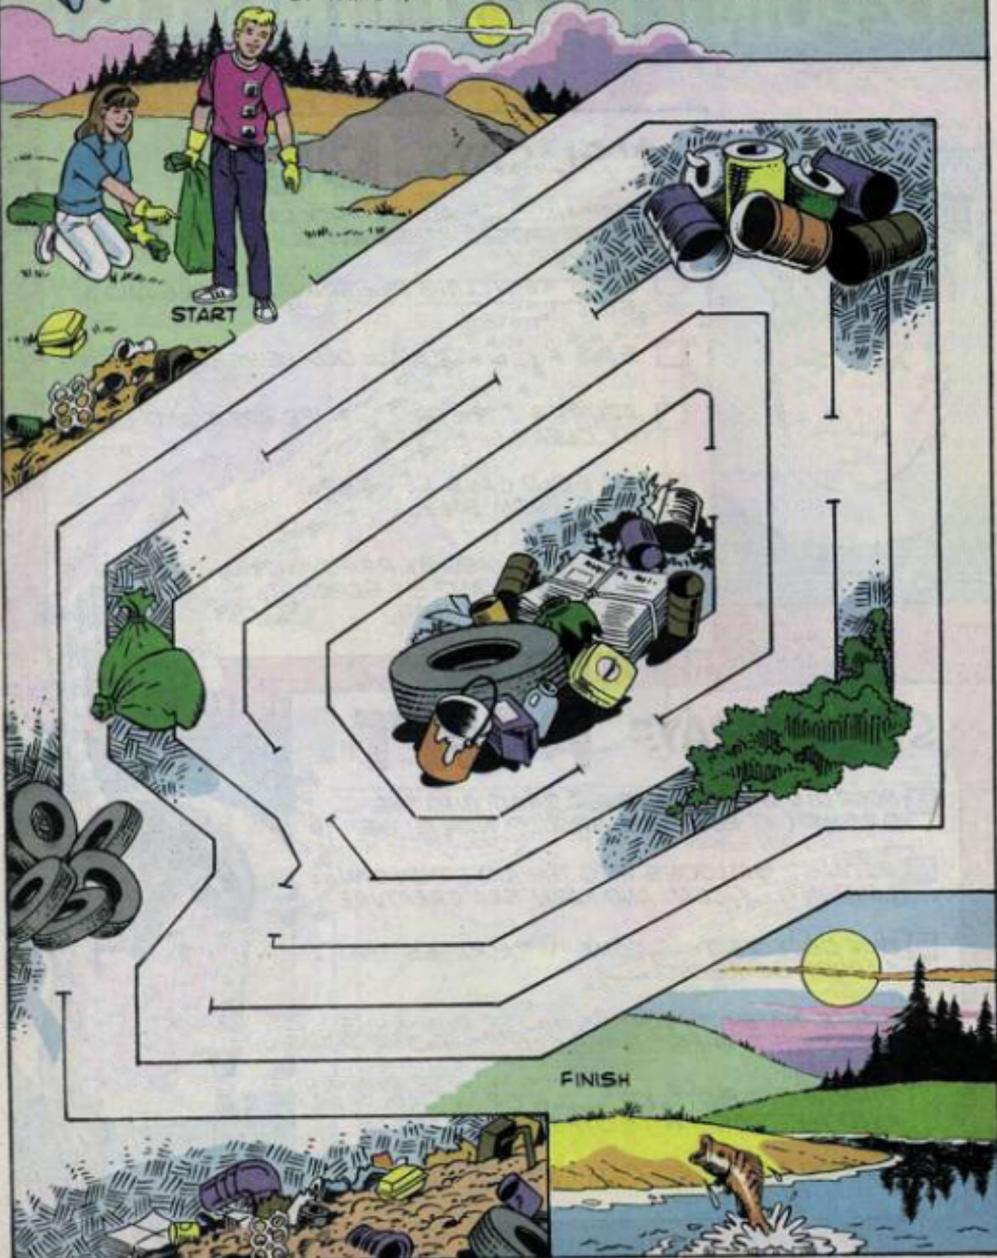

SHANNA SAYS... DON'T

- POUR OLD OIL OR LEFTOVER PAINT INTO THE GROUND (IT POLLUTES GROUND WATER!)
- RELEASE BALLOONS INTO THE AIR (THEY CAN LAND IN THE OCEAN AND HARM SEA CREATURES!)
- BUY OBJECTS THAT COME IN PACKAGES THAT CANNOT BE RECYCLED!
- WASTE WATER BY LETTING WATER RUN WHILE WASHING DISHES OR THE CAR!
- THROW OLD BOTTLES, CANS OR NEWSPAPERS INTO THE TRASH WITH OTHER GARBAGE!
- USE OR BUY STYROFOAM CUPS OR PLATES!

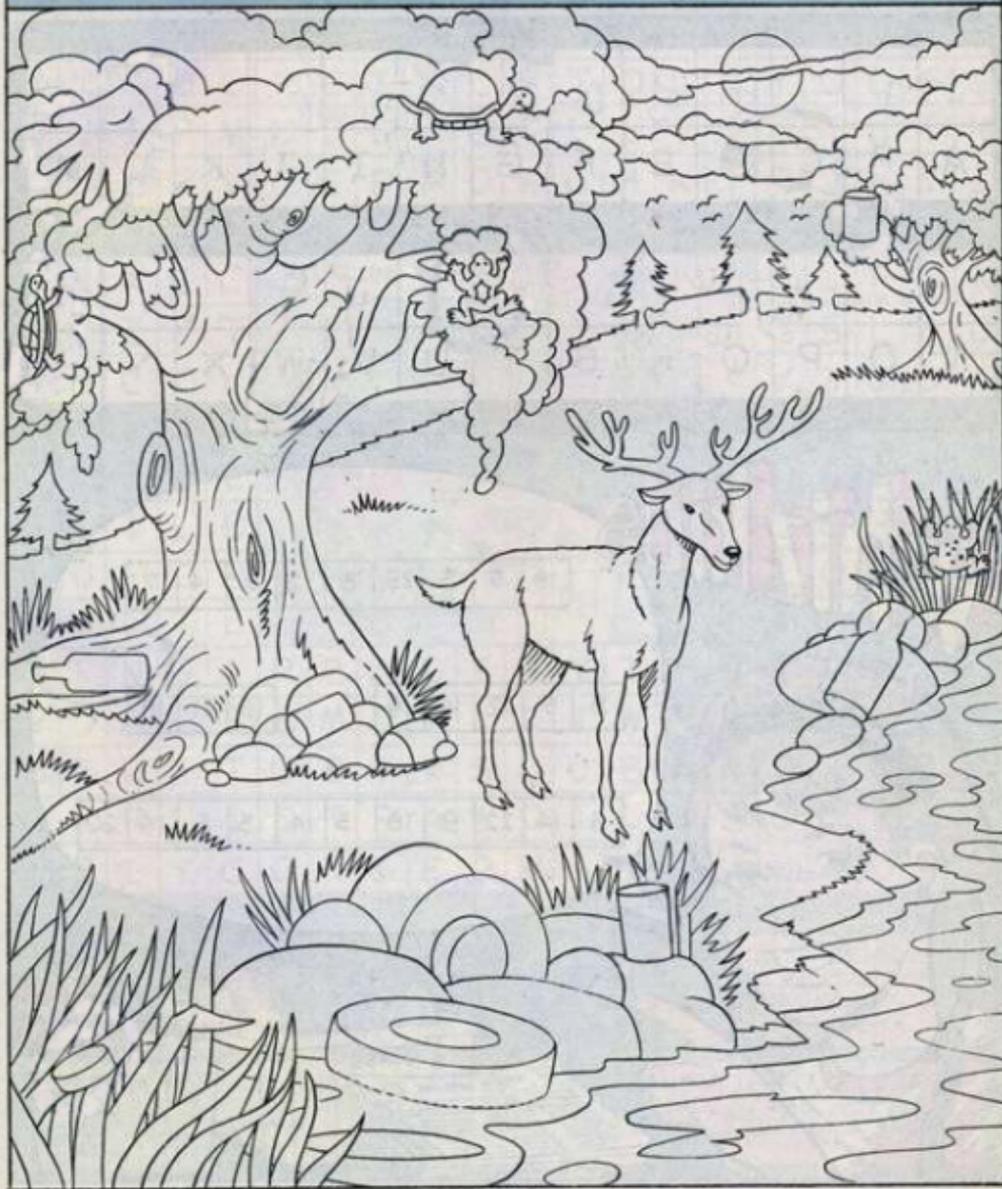

Whizkids LITTER MAZE

HELP ALEC AND SHANNA MAKE A CLEAN SWEEP OF THE LITTER MAZE BY FINDING A WAY TO THE POLLUTION-FREE FINISH! BEWARE OF PILES OF TRASH, GARBAGE AND SMOG BLOCKING YOUR PATH!

Whizkids™ HIDDEN PICTURE HUNT!

LOOK CAREFULLY AT THE PICTURE BELOW, HIDDEN AROUND THE PAGE ARE 5 BOTTLES, 3 LARGE CANS, 1 SMALL CAN, 2 FROGS, 2 TURTLES, 1 WHOLE TIRE, 1 HALF TIRE AND AN OLD GLOVE, HAVE FUN AND GOOD HUNTING! AFTER YOU FIND THE ITEMS, COLOR THE PICTURE!

Shanna's Secret Message

TO FIND OUT WHAT SHANNA'S SECRET MESSAGE IS, FIRST NUMBER THE LETTERS OF THE ALPHABET STARTING WITH 'A' AS THE NUMBER ONE AND ENDING WITH THE LETTER 'Z'. THEN USING THE NUMBER CODE, WRITE EACH LETTER ABOVE ITS MATCHING NUMBER IN THE BALLOON TO SPELL OUT THE WORDS OF SHANNA'S MESSAGE!

HERE'S YOUR BREAKFAST, ARCHIE! IT'S FRUIT AND GRANOLA WITH MILK!

GREAT! THAT'S WHAT I CALL FAST AND NUTRITIOUS BREAKFAST FOOD! PLUS... IT'S MY FAVORITE!

WELL, I'M IN NO HURRY, MARY! I'LL HAVE BACON, EGGS, BUTTERED TOAST WITH JAM AND...

YOU'LL HAVE A HEALTHY MEAL OF FRUIT AND GRANOLA TOO, FRED ANDREWS!

AROUND HERE WE'RE CUTTING DOWN ON FATS AND CHOLESTEROL!

HERE YOU ARE, FRED! DIG IN!

AHH... RIGHT, MARY!

CRUNCH! CRUNCH!

HEY! THIS GRANOLA STUFF IS PRETTY GOOD! CRUNCH! CRUNCH!

AND IT'S GOOD FOR YOU POP! I'VE GOTTA GO. 'BYE, MOM! THANKS FOR THE BREAKFAST!

HEY, ARCH! HURRY UP, OR THE CLASS WILL LEAVE WITHOUT US!

CHILL OUT, JUG! I'M COMING, DON'T WORRY, THEY'LL WAIT FOR US!

THIS TRIP IS GOING TO BE REAL INTERESTING!

IT SURE IS! WE'RE GOING TO LEARN ALL ABOUT THE HISTORY OF ELECTRICITY AND ELECTRONICS!

IT LOOKS LIKE WE'RE JUST IN TIME FOR ATTENDANCE, JUG!

HUMPH! ARCHIE AND JUGHEAD ARE THE LAST TO ARRIVE... AS USUAL! OKAY! EVERYONE'S PRESENT! LET'S GET ON THE BUS!

I CAN'T WAIT TO FIND OUT ABOUT THE MANY KINDS OF POWER SOURCES!

I CAN'T WAIT TO VISIT THE COMPUTER EXHIBIT!

I CAN'T WAIT TO GET ON THE BUS AND SIT NEXT TO VERONICA!

WE'RE READY TO ROLL! LET'S GO, MR. SVENSON!

THIS RIDE WON'T TAKE LONG, CLASS! THE MUSEUM ISN'T VERY FAR!

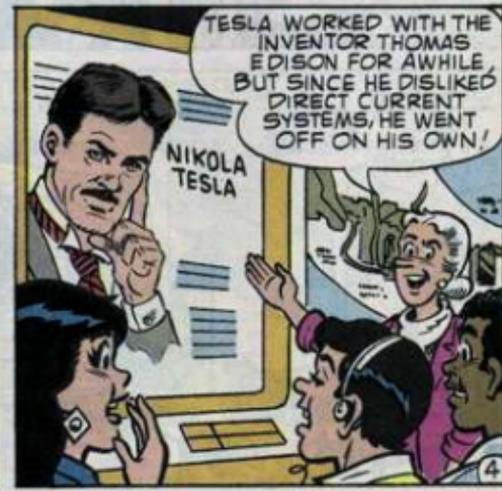

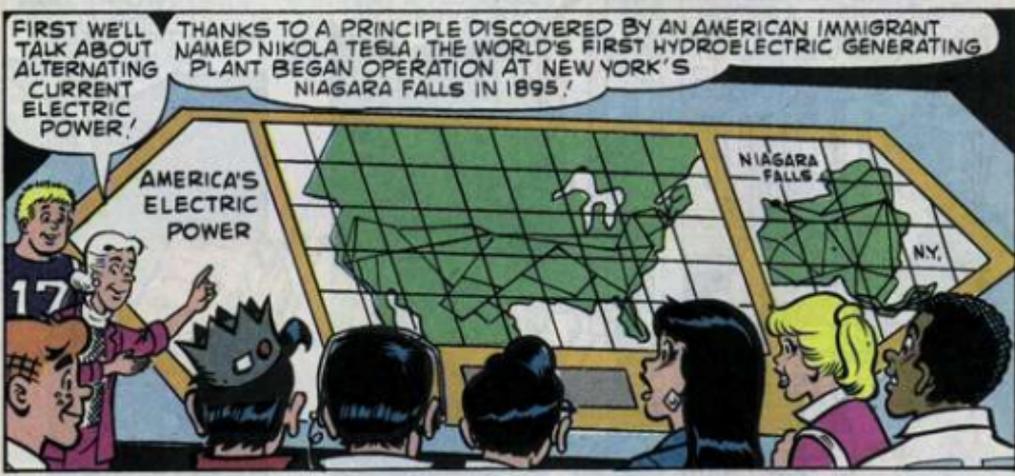

SOON... HERE WE ARE, EVERYONE!

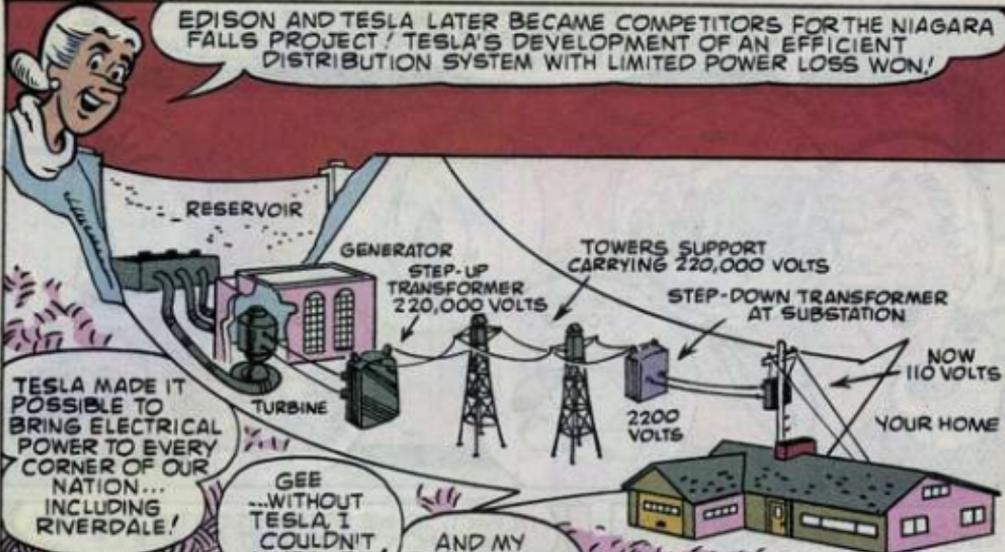

WOW! WHAT A BIG PLACE!

AND IT'S FILLED WITH EXHIBITS OF MAN'S GREATEST ACCOMPLISHMENTS!

EDISON AND TESLA LATER BECAME COMPETITORS FOR THE NIAGARA FALLS PROJECT! TESLA'S DEVELOPMENT OF AN EFFICIENT DISTRIBUTION SYSTEM WITH LIMITED POWER LOSS WON!

TESLA MADE IT POSSIBLE TO BRING ELECTRICAL POWER TO EVERY CORNER OF OUR NATION... INCLUDING RIVERDALE!

GEE... WITHOUT TESLA, I COULDN'T WATCH TV!

AND MY REFRIGERATOR WOULDN'T BE RUNNING!

WHAT? YOUR REFRIGERATOR IS RUNNING? THEN YOU'D BETTER GO HOME AND CATCH IT, JUG!

NIKOLA TESLA WAS A BRILLIANT MAN! HE ALSO INVENTED AN ARCH LIGHT SYSTEM AND REMOTE CONTROL RADIO DEVICES!

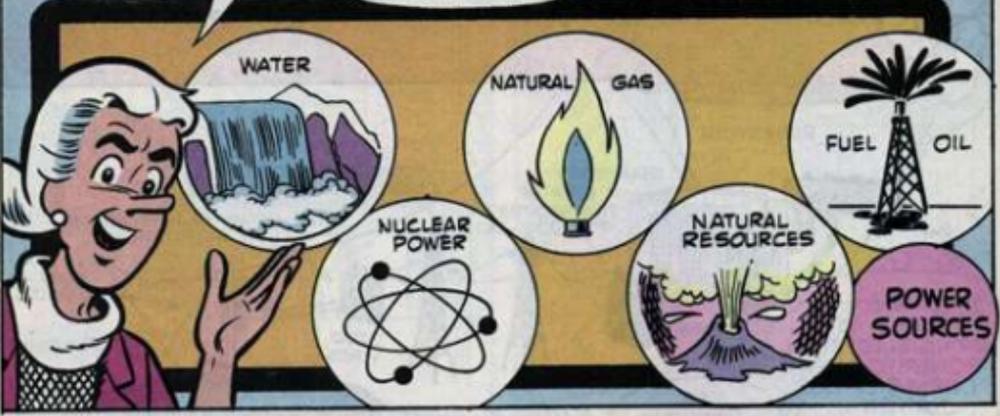

BUT TESLA'S MOST FAMOUS INVENTION IS THE TESLA CELL, AN ELECTRONIC TUBE INVALUABLE IN LONG DISTANCE WIRELESS COMMUNICATION!

POWER

OKAY, EVERYONE! LET'S MOVE ON TO THE NEXT EXHIBIT!

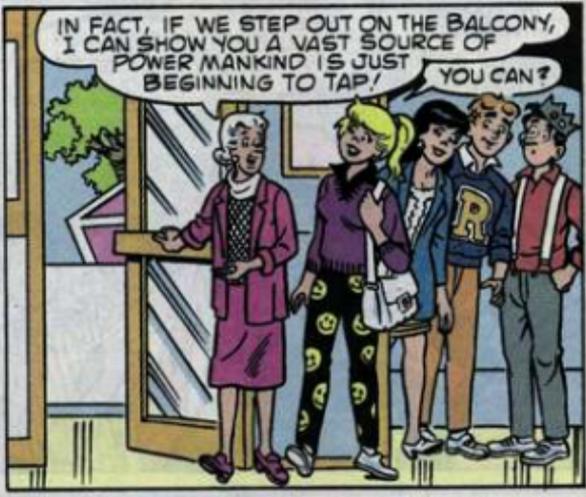

IN ADDITION TO HYDROELECTRIC GENERATING PLANTS, THE U.S. USES MANY DIFFERENT POWER SOURCES TO PRODUCE ELECTRICITY!

HOW CAN NATURAL RESOURCES PRODUCE ELECTRICITY, MS. GRUNDY?

GOOD QUESTION, BETTY! THE FOLLOWING EXHIBITS WILL HELP ME EXPLAIN!

IN FACT, IF WE STEP OUT ON THE BALCONY, I CAN SHOW YOU A VAST SOURCE OF POWER MANKIND IS JUST BEGINNING TO TAP!

YOU CAN?

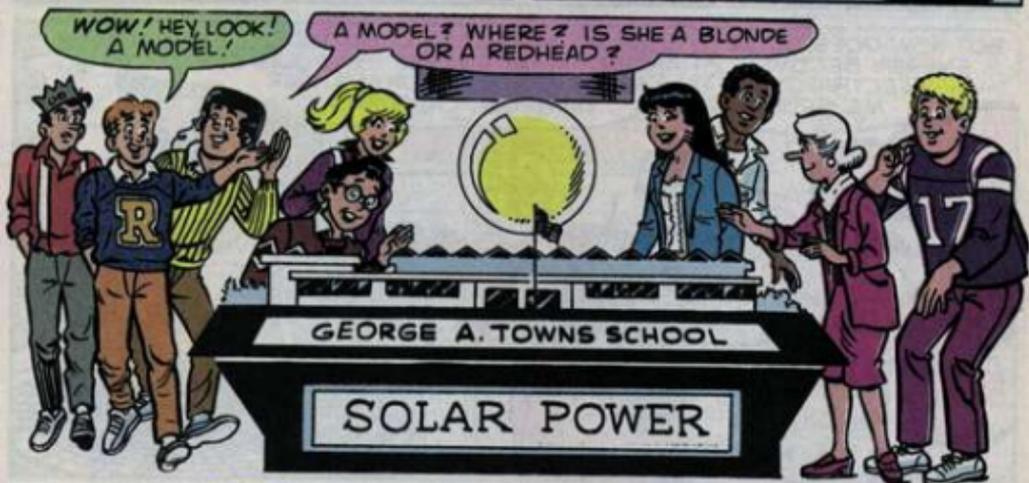

WHERE IS THAT VAST POWER SOURCE, MS. GRUNDY?

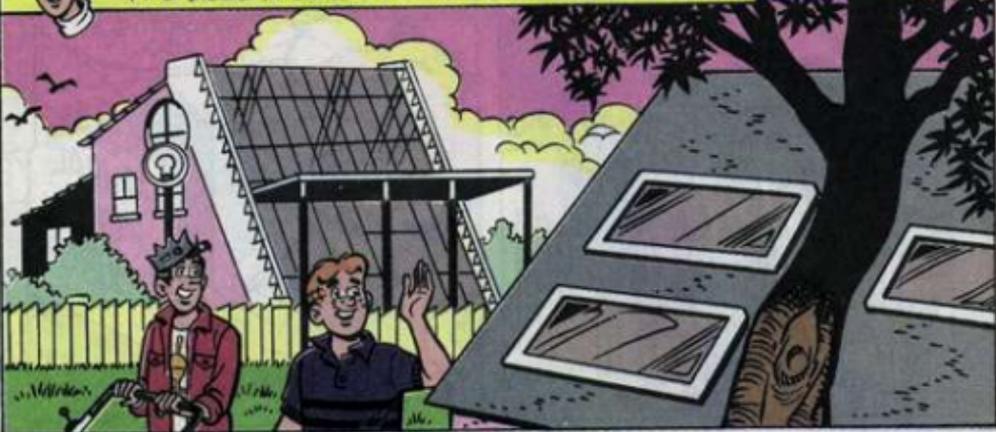

UP THERE!

THE SUN?

IT'S THE SUN!

"SOLAR PANELS ARE FOUND ON THE ROOFS OF MANY HOMES AND BUILDINGS TODAY! SOLAR ENERGY PROVIDES HOT WATER AND HEAT FOR ROOMS! IT'S ALSO A GREAT WAY TO CONSERVE ENERGY!"

BUT HOW DOES SOLAR ENERGY BECOME ELECTRICITY, MS. GRUNDY?

LOOK AT THIS NEXT EXHIBIT AND I'LL EXPLAIN, ARCHIE! WHAT YOU SEE IS "SOLAR ONE", A SOLAR POWER TEST PLANT NEAR BARSTOW, CALIFORNIA!

SOLAR ONE HAS 2,000 MIRRORS WHICH REFLECT SOLAR HEAT TO A CENTRAL RECEIVER, MAKING STEAM TO OPERATE A TURBINE THAT PRODUCES ELECTRICITY!

THE PROJECTED GENERATING POWER OF SOLAR ONE IS TEN MILLION WATTS!

THAT'S MORE "WHAT'S THAN REGGIE MUTTERS DURING A SCHOOL YEAR!"

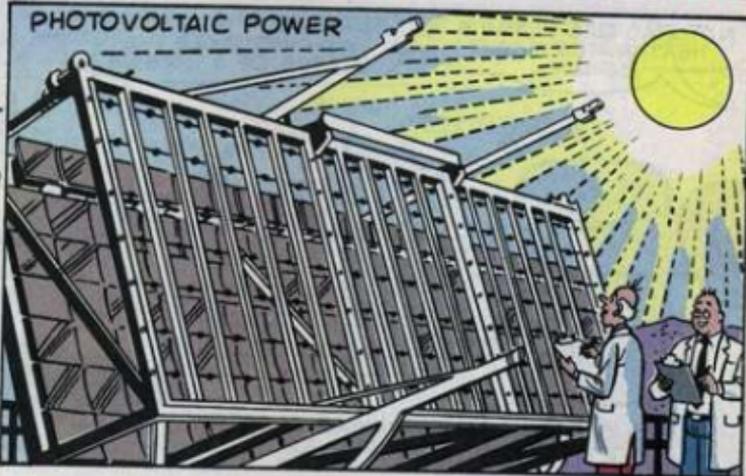

PHOTOVOLTAIC POWER IS ANOTHER WAY SOLAR ENERGY IS CONVERTED INTO ELECTRICITY, MS. GRUNDY!

THAT'S RIGHT, DILTON, WHY DON'T YOU EXPLAIN?

SOLAR ONE

A ONE-KILOWATT ARRAY OF PHOTOVOLTAIC (GALLIUM ARSENIDE) CELLS THAT CONVERTS SOLAR ENERGY DIRECTLY INTO ELECTRICITY HAS BEEN BUILT IN CALIFORNIA BY VARIAN ASSOCIATES AS PART OF A RESEARCH PROJECT!

PHOTOVOLTAIC POWER

DILTON, YOU SURE ARE BRIGHT WHEN IT COMES TO SOLAR POWER!

THANKS, CHUCK! AS A STUDENT OF THE SUN, I TRY TO SHINE!

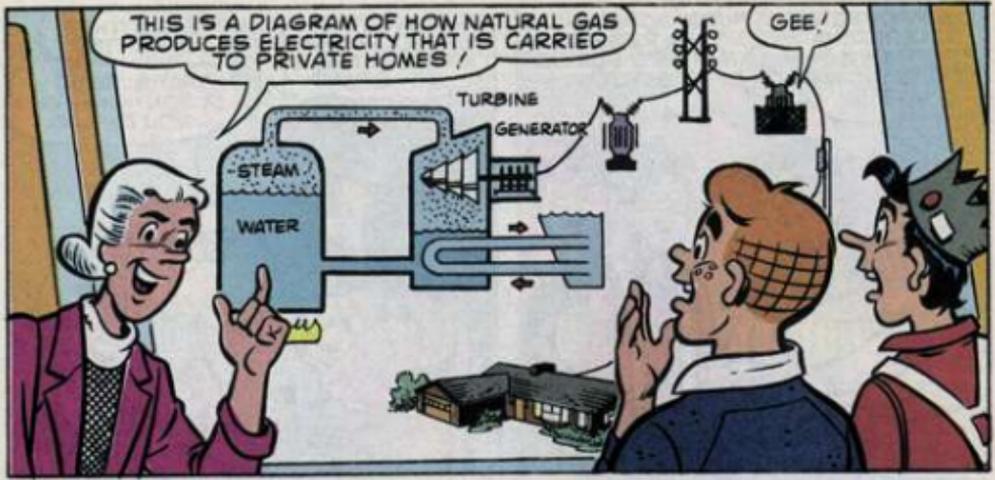

FOLLOW ME, EVERYONE! NEXT, WE'LL SEE HOW OTHER NATURAL RESOURCES PRODUCE ELECTRICAL POWER!

NATURAL RESOURCES

THIS IS A DIAGRAM OF HOW NATURAL GAS PRODUCES ELECTRICITY THAT IS CARRIED TO PRIVATE HOMES!

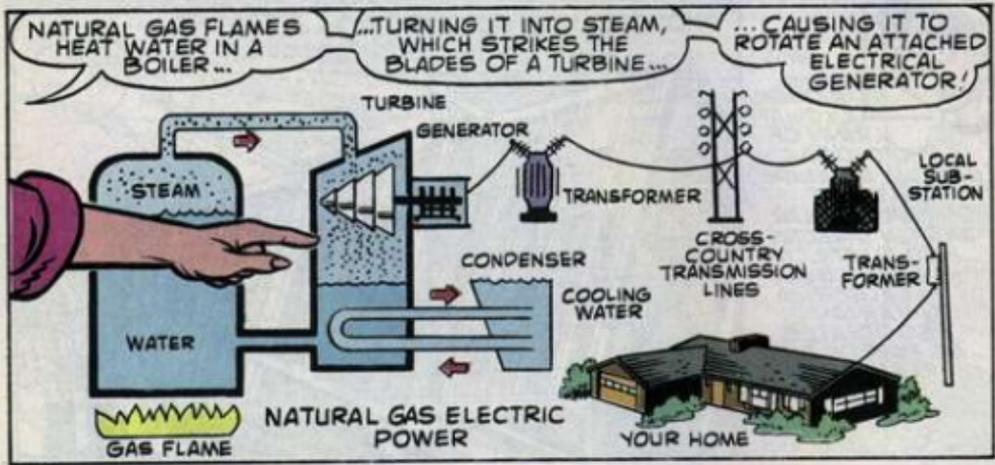

GEE!

NATURAL GAS FLAMES HEAT WATER IN A BOILER...

...TURNING IT INTO STEAM, WHICH STRIKES THE BLADES OF A TURBINE...

...CAUSING IT TO ROTATE AN ATTACHED ELECTRICAL GENERATOR!

ISN'T IT TRUE THAT COAL CAN ALSO BE USED TO PRODUCE STEAM, MS. GRUNDY?

THAT'S RIGHT, ARCHIE!

HEY, ARCH! YOU'RE PRETTY SMART... FOR A MINOR!

OTHER NATURAL RESOURCES CAN ALSO GENERATE ELECTRICITY!

THAT'S TRUE, BETTY! THERE ARE MANY SOURCES OF ELECTRICAL POWER ON EARTH!

CAN YOU GIRLS NAME SOME OF THOSE SOURCES? YOU GO FIRST, VERONICA!

OKAY, MS. GRUNDY!

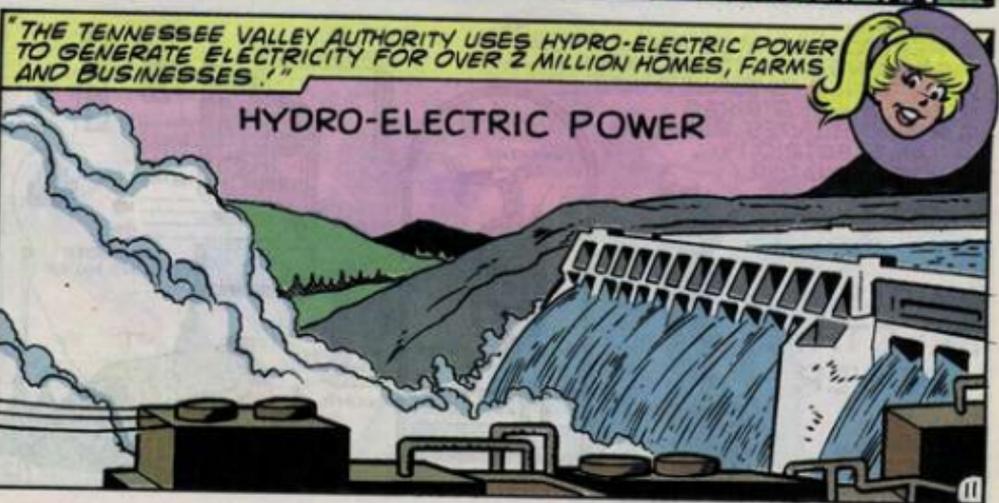

"IN CALIFORNIA, PACIFIC GAS AND ELECTRIC PIPES STEAM FROM GEYSERS THROUGH A CLEANSING SYSTEM TO TURBINES THAT GENERATE ELECTRICITY! YOUR TURN, BETTY!"

GEYSER
POWER

"THE TENNESSEE VALLEY AUTHORITY USES HYDRO-ELECTRIC POWER TO GENERATE ELECTRICITY FOR OVER 2 MILLION HOMES, FARMS AND BUSINESSES."

HYDRO-ELECTRIC POWER

I'M IMPRESSED!

ME TOO! WHY AREN'T YOU CLAPPING, JUG?

I'M CONSERVING ENERGY!

CLAP!
CLAP!

CLAP!
CLAP!

CLAP!
CLAP!

CLAP!

DUH... WHAT'S NEXT, MS. GRUNDY?

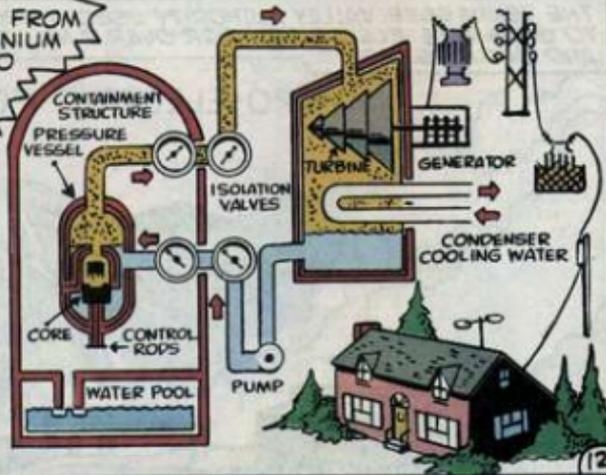

ALL WE DO IS PRESS THIS BUTTON FOR A DESCRIPTION OF HOW A NUCLEAR POWER PLANT WORKS!

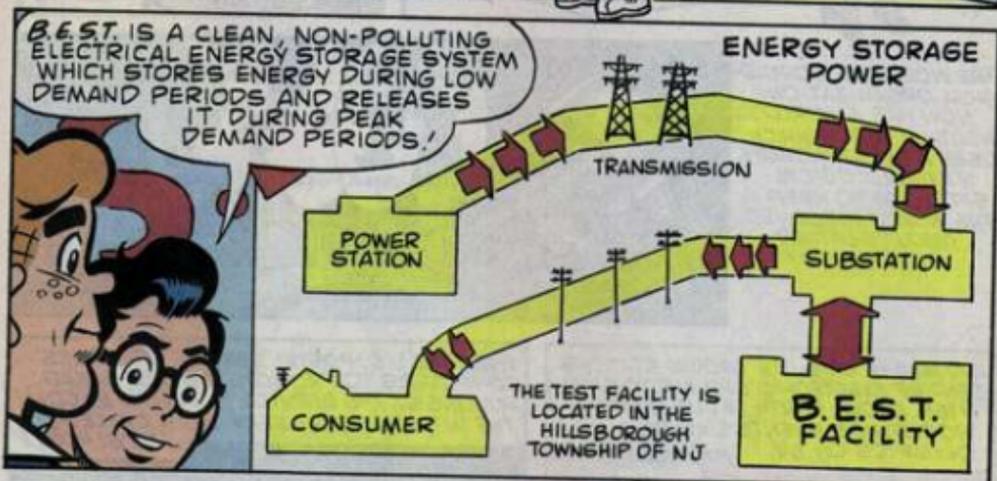

A NUCLEAR ELECTRIC POWER PLANT IS SIMILAR TO A STEAM-ELECTRIC GENERATING SYSTEM!

A REACTOR CREATES STEAM FROM FISSIONING (SPLITTING) URANIUM FUEL! WATER IS TURNED INTO STEAM, WHICH STRIKES TURBINE BLADES, ROTATING AN ELECTRICITY GENERATOR!

NUCLEAR ELECTRIC POWER

WHAT ARE WE GOING TO SEE NOW, MS. GRUNDY?

NOW WE'RE GOING TO LEARN ABOUT THE HISTORY OF ELECTRICITY AND ELECTRONICS!

THE HISTORY OF ELECTRICITY AND ELECTRONICS

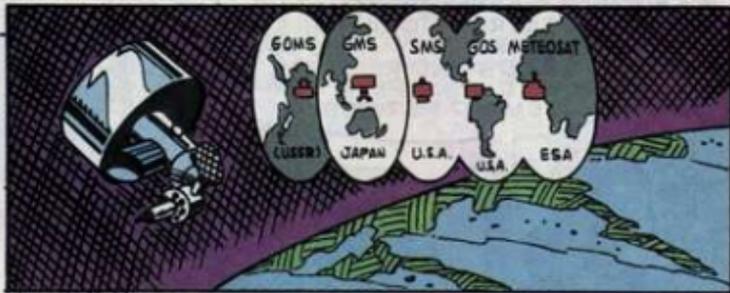

ELECTRONICS IS AN EXCITING AND CHALLENGING FIELD!

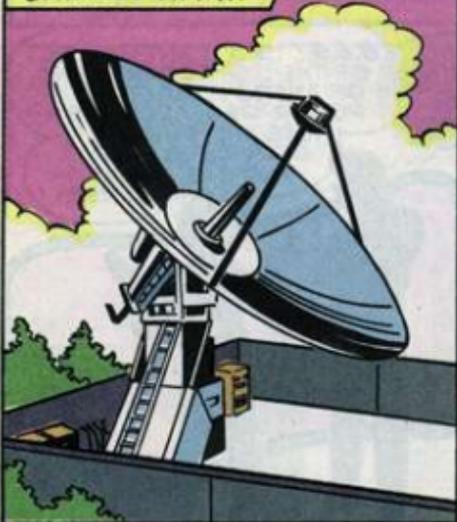

DILTON'S RIGHT! THE FIELD OF ELECTRONICS IS HELPING TO MAKE OUR WORLD A BETTER AND SAFER PLACE!

THE WORLD METEOROLOGICAL ORGANIZATION NOW HAS A WORLD WEATHER WATCH WHICH USES A GEOSTATIONARY METEOROLOGICAL SATELLITE TO KEEP THE WORLD INFORMED ABOUT WEATHER MOVEMENTS!

AND MOBILE SATELLITE GROUND STATIONS SENDING ELECTRONIC SIGNALS TO SATELLITES ABOVE EARTH LET US VIEW WORLDWIDE EVENTS LIKE THE OLYMPICS ON T.V.!

EVEN THE U.S. POSTAL SERVICE NOW USES COMPUTERS TO PROMOTE LOW COST SPEED MAILINGS! THE SERVICE IS CALLED E-COM! THE INTERNATIONAL SERVICE IS CALLED INTELPOST!

WOW! ELECTRONICS IS SURE THE WAVE OF THE FUTURE!

ACTUALLY, ARCHIE, THE STORY OF ELECTRICITY ITSELF DATES BACK OVER 2,000 YEARS!

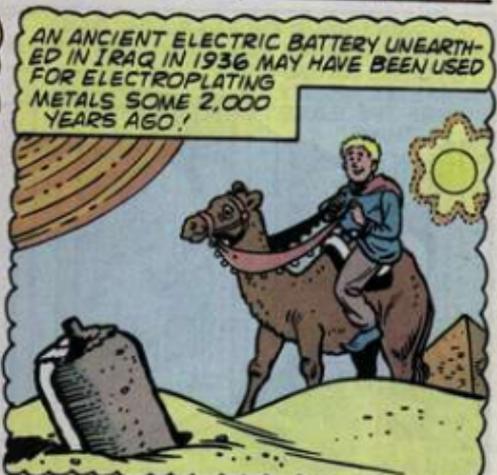

NO ONE KNOWS FOR SURE, BUT AS EARLY AS 600 B.C., THALES OF MILETUS, GREECE, THEORIZED A CONNECTION BETWEEN ELECTRICITY AND MAGNETISM!

GEE... IMAGINE THAT!

THE ANCIENT GREEKS EVEN TRIED ELECTRIC SHOCKS FROM EELS AS A TREATMENT FOR RHEUMATIC DISEASES!

YEOW! CAN I GET A SECOND OPINION?

AN ANCIENT ELECTRIC BATTERY UNEARTHED IN IRAQ IN 1936 MAY HAVE BEEN USED FOR ELECTROPLATING METALS SOME 2,000 YEARS AGO!

THE GREAT JAPANESE ENCYCLOPEDIA OF 1712 SHOWS A PICTURE OF A "SOUTH POINTING CART" USED IN CHINA IN THE 5TH CENTURY! IT WAS SIMILAR TO A COMPASS USED BY SHIPS!

A MAGNET IN THE ARM OF THE PIVOTING MANNEQUIN CAUSES IT TO ALWAYS POINT IN THE SAME DIRECTION!

ALESSANDRO
VOLTA

ALESSANDRO VOLTA OF ITALY MADE
THE FIRST PRACTICAL DESIGN FOR
A BATTERY IN 1800!

IN 1831, MICHAEL
FARADAY OF
ENGLAND DEvised
THE FIRST MACHINE
TO PRODUCE
ELECTRICITY FROM
MECHANICAL
ENERGY!

MICHAEL
FARADAY

ENGLAND'S JAMES CLERK MAXWELL
STUDIED THE FINDINGS OF FARADAY
AND OTHERS AND
USED MATHEMATICS
TO PREDICT
"ELECTROMAGNETIC
DISTURBANCES"
IN SPACE!

THEN HEINRICH HERTZ PAVED THE WAY
FOR THE INVENTION OF WIRELESS RADIO
BY ACTUALLY CREATING THE DISTURBANCES
STUDIED BY MAXWELL! HE PROVED THE
DISTURBANCES ACTED THE SAME WAY
AS LIGHT!

WILLIAM GILBERT OF ENGLAND
WAS THE FIRST PERSON TO
USE TERMS LIKE: ELECTRIC
FORCE, ELECTRICITY AND
ELECTRICAL ATTRACTION!
THE TERM "GILBERT" TODAY
MEANS A UNIT OF
MAGNETISM!

AMERICAN INVENTORS ALSO PLAYED KEY ROLES IN
ADVANCING ELECTRONICS! JOSEPH HENRY BUILT THE
FIRST ELECTROMAGNET, WHICH WAS LATER USED
FOR THE FIRST DIRECT CURRENT MOTOR!

NOW HERE WE SEE MODELS OF INVENTIONS DESIGNED BY AMERICA'S MOST FAMOUS INVENTOR—THE WIZARD OF MENLO PARK, NEW JERSEY—THOMAS EDISON!

THIS IS A MODEL OF EDISON'S FIRST ELECTRIC LIGHT BULB!

IT SURE IS FUNNY-LOOKING!

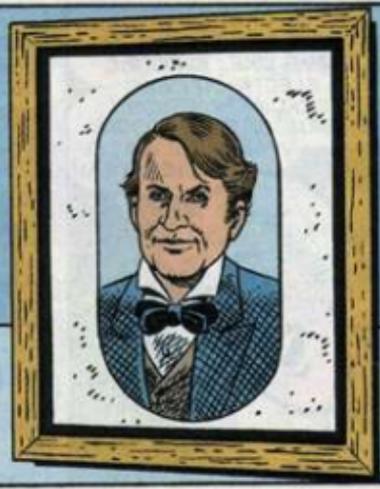

IT SAYS EDISON INVENTED THE FIRST PHONOGRAPH IN 1877!

IT'S NOT MUCH LIKE THE COMPACT DISC PLAYERS OF TODAY!

IN 1913, EDISON SUCCEEDED IN MAKING TALKING MOTION PICTURES! BUT HIS INVENTION WAS NEVER PERFECTED!

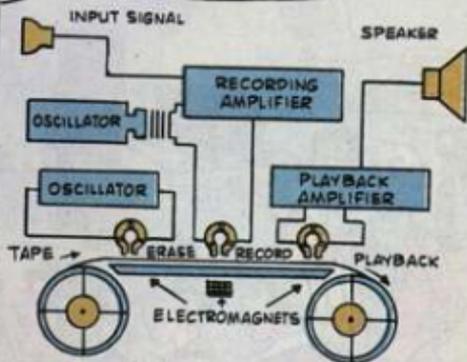

EDISON'S MOTION PICTURES COULDN'T BE A BAD AS THE HOME VIDEO TAPES REGGIE SHOOTS ON HIS CAMCORDER!

SPEAKING OF TAPES LEADS US TO OUR NEXT INVENTION! MAGNETIC RECORDING WAS INVENTED BY VALDEMAR POULSEN IN 1889!

ACTUAL TAPE RECORDING WASN'T INVENTED UNTIL THE 1930'S! THIS DIAGRAM ILLUSTRATES THE PRINCIPLE OF TAPE RECORDING!

THOSE EARLY INVENTIONS LED TO THE CREATION OF OUR MODERN TAPE RECORDERS AND EVEN PRESENT-DAY VIDEO CASSETTE RECORDERS!

I'D BE LOST WITHOUT MY VCR! I TAPE ALL THE SOAP OPERAS!

I'D BE LOST, TOO! I TAPE ALL THE COOKING SHOWS!

I THINK THE GIRLS WILL FIND THE NEXT EXHIBIT MOST INTERESTING!

THESE ARE DIFFERENT TYPES OF TELEPHONES, PAST AND PRESENT!

WOW! THERE ARE ALMOST AS MANY PHONES HERE AS VERONICA HAS IN HER HOUSE!

TELEPHONES HAVE SURE COME A LONG WAY SINCE ALEXANDER GRAHAM BELL INVENTED THE FIRST ONE IN 1876!

THAT'S FOR SURE, VERONICA!

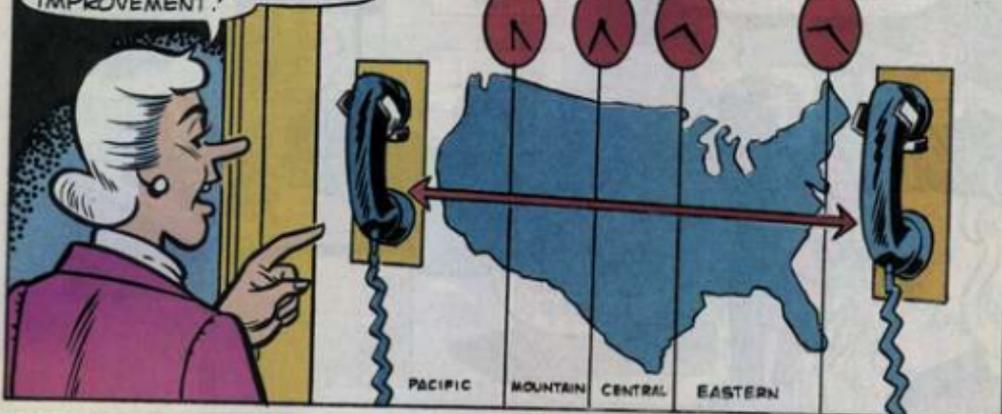

ALMON B. STROWGER MADE ONE OF THE MOST IMPORTANT IMPROVEMENTS TO BELL'S TELEPHONE! HE DESIGNED THE DIAL PHONE AND THE FIRST DIAL TELEPHONE SYSTEM THAT BEGAN OPERATING IN 1892 IN INDIANA!

LEE DE FORREST'S AMPLIFYING RADIO TUBE, KNOWN AS THE AUDION, WAS THE NEXT BIG IMPROVEMENT!

IT MADE BETTER LONG DISTANCE CALLS POSSIBLE!

THIS IS A PAINTING OF THE CABLE SHIP *H.M.T.S. MONARCH*! DOES ANYONE KNOW WHY IT IS A FAMOUS SHIP?

I KNOW, MS. GRUNDY!

"THE MONARCH LAID A TELEPHONE CABLE THAT SPANNED THE ATLANTIC OCEAN! THE CABLE STRETCHED 2,500 MILES FROM NEWFOUNDLAND TO SCOTLAND!"

THE CABLE CARRIED ITS FIRST VOICE COMMUNICATION ON SEPTEMBER 25, 1956!

EXCELLENT, ARCHIE! THAT CABLE ORIGINALLY HAD A CAPACITY OF 37 CALLS! A NEW SUPER-CABLE OF THE FIBER-OPTIC TYPE NOW USES PULSES OF LASER LIGHT AND CAN CARRY 40,000 SEPARATE CALLS!

AMAZING!!

WHAT'S EVEN MORE AMAZING IS THAT A TELEGRAPH CABLE LINKING THE U.S. AND EUROPE WAS LAID WAY BACK IN 1869!

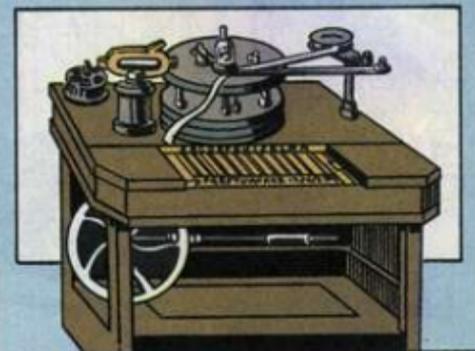

THIS EXHIBIT SHOWS SAMUEL MORSE IN 1837 WHEN HE BUILT THE VERY FIRST TELEGRAPH!

IN 1861, STEPHEN FIELD SENT THE FIRST TRANS-CONTINENTAL MESSAGE FROM CALIFORNIA TO PRESIDENT LINCOLN IN WASHINGTON, D.C.!

DURING THE CIVIL WAR, THE FIRST TELEGRAPH PRINTER WAS INVENTED BY ROYAL HOUSE OF VERMONT!

HEY, LOOK! IT'S MARCONI'S WIRELESS!

YEARS LATER, SHIPS ADDED SMALL ROOMS ON THEIR TOP DECKS AS COMPARTMENTS FOR MARCONI'S WIRELESS! THAT ROOM WAS CALLED A "RADIO SHACK" BY SAILORS!

I GUESS WE HAVE MARCONI TO THANK FOR RADIO PROGRAMS!

ACTUALLY REGGIE, A CANADIAN-AMERICAN INVENTOR NAMED REGINALD FESSENDEN SENT THE FIRST MUSIC, BY WIRELESS, FROM BRANT ROCK, MASSACHUSETTS ON DECEMBER 24, 1906!

MS. GRUNDY, DIDN'T THE DEFORREST AUDION TUBE MAKE A BIG CONTRIBUTION TO RADIO BROADCASTING?

YOU'RE ABSOLUTELY RIGHT, DILTON!

THIS IS A DIAGRAM OF THE AUDION! THE TUBE MADE LOUDER SOUND POSSIBLE EVEN FROM FARAWAY STATIONS! IT CONTRIBUTED TO THE BIRTH OF MODERN RADIO!

OF COURSE, EARLY RADIOS LIKE THIS ONE HAD HUGE, FUNNY-LOOKING LOUD SPEAKERS!

I'LL TAKE MY HEADSET OVER THAT ANYTIME!

IN THE 1930'S, EDWIN ARMSTRONG, WHO INVENTED RADIO'S SUPERHETERODYNE RECEIVER, DEVELOPED FM RADIO!

ALSO IN THE 1930'S, ELECTRONICS TOOK ON THE CHALLENGE OF TV! IN 1939, SOME SMALL COMMERCIAL TV SETS LIKE THIS ONE WERE IN PRODUCTION!

WOW! NOW THAT'S REALLY A MINI-SCREEN!

TELEVISION IN THE 1930'S

IN THE 1940'S, THESE THREE AMERICAN INVENTORS REVOLUTIONIZED RADIO CIRCUITS AND, IN 1956, SHARED THE NOBEL PRIZE FOR INVENTING THE TRANSISTOR!

JOHN BARDEEN WALTER H. BRATTAIN WILLIAM SHOCKLEY

THEIR RESEARCH WAS DONE AT THE FAMOUS BELL TELEPHONE LABS! THE TRANSISTOR MADE POCKET RADIOS LIKE REGGIE'S A REALITY!

NEXT CAME THE TINY INTEGRATED CIRCUIT, OR IC, USED TODAY IN RADIOS, STEREOS AND COMPUTERS LIKE THE TANDY 1000, WHICH WE'LL SEE IN THE NEXT SECTION!

OH, BOY! AT LAST WE'RE GOING TO SEE THE COMPUTERS!

THIS IS A "HANDS ON" EXHIBIT, CLASS, SO DON'T BE AFRAID TO TOUCH THINGS! THIS COMPUTER IS A TANDY 1000!

COMPUTER EXHIBIT

THE USES FOR COMPUTERS ARE ENDLESS! AT AIR TERMINALS, THEY SPEED UP THE PROCESSING OF RESERVATIONS AND TICKETS!

IN SCHOOLS, THEY ARE USED AS TEACHING AIDS FOR A VARIETY OF SUBJECTS!

UNDERSTAND NOW, JUG?

I SURE DO, BETTY!

THE COMPUTER MADE IT EASY!

SMALL BUSINESSES USE COMPUTERS TO SAVE TIME AND REDUCE PAPERWORK!

LARGER COMPUTERS HELP WITH SCIENCE RESEARCH, METEOROLOGY, AND EVEN WITH MANUFACTURING!

LET'S NOT FORGET
COMPUTER GAMES,
MS. GRUNDY!

RIGHT, REGGIE!

AND A PERSONAL
COMPUTER, LIKE THIS
COLOR COMPUTER 3,
CAN BE USED
TO ACCESS AN
ELECTRONIC
ENCYCLOPEDIA!

COMPUTERS LIKE THIS ARE FUN AND
EDUCATIONAL! THEY MAKE DOING
HOMEWORK EASIER!

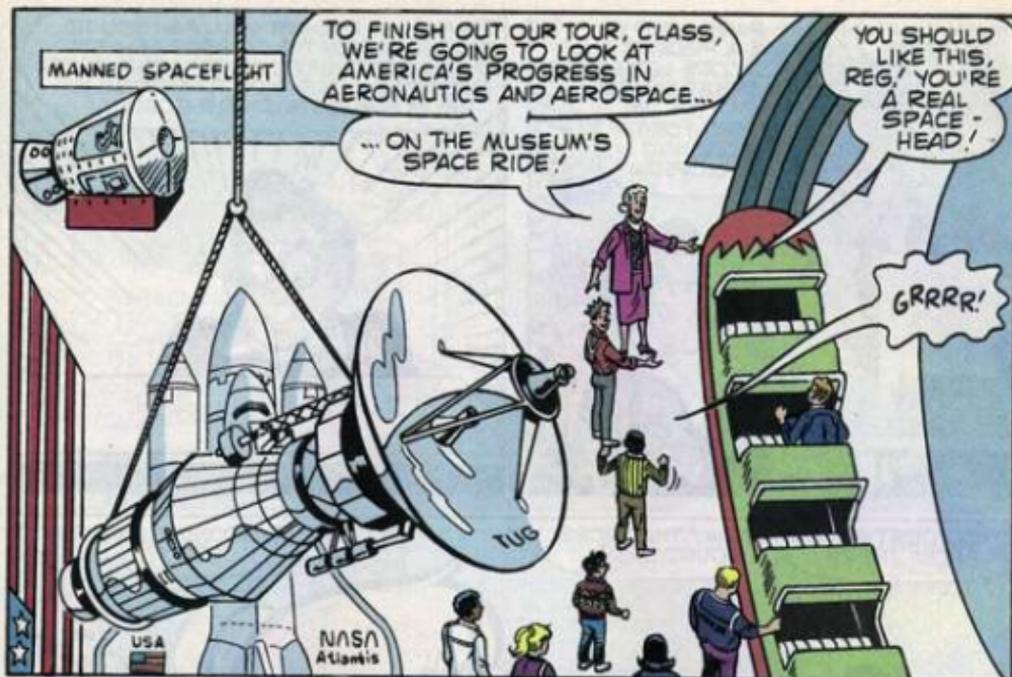

TO ACCESS AN
ELECTRONIC
ENCYCLOPEDIA, PLUG
IN THE MODEM PROGRAM
PAK AND TURN ON
THE POWER!

ONE SWITCH IS
ON THE BACK OF
THE COMPUTER!
THE OTHER IS ON
THE FRONT OF
THE VIDEO
MONITOR!

NEXT, DIAL THE
PHONE NUMBER
OF THE
INFORMATION
SERVICE YOU
SUBSCRIBE TO!

AFTER THAT, TYPE IN YOUR SUBSCRIPTION
ACCOUNT NUMBER! A "PROMPT" ON THE
SCREEN WILL ASK FOR YOUR "PASSWORD"!
TYPE IT ON THE
COMPUTER!

MANNED SPACEFLIGHT

TO FINISH OUT OUR TOUR, CLASS,
WE'RE GOING TO LOOK AT
AMERICA'S PROGRESS IN
AERONAUTICS AND AEROSPACE...

... ON THE MUSEUM'S
SPACE RIDE!

YOU SHOULD
LIKE THIS,
REG.' YOU'RE
A REAL
SPACE-
HEAD!

GRRRR!

USA

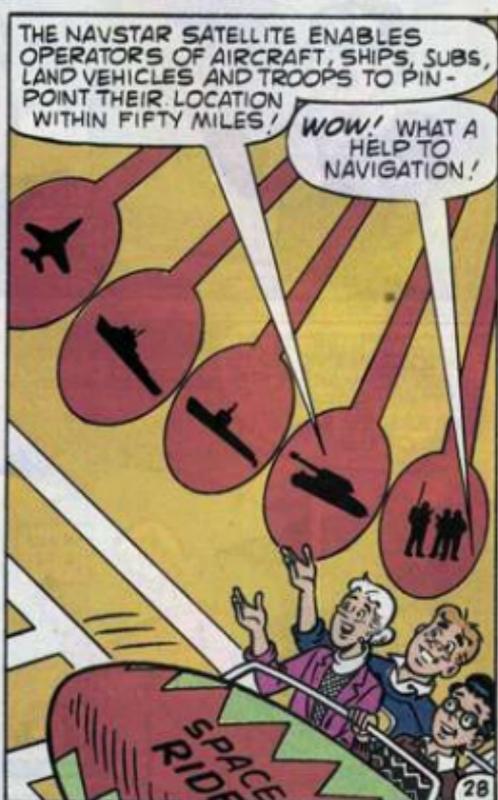

NASA
Atlantis

THIS IS
A MODEL
OF THE
NAVSTAR
GLOBAL
POSITIONING
SYSTEM!

THE NAVSTAR SATELLITE ENABLES
OPERATORS OF AIRCRAFT, SHIPS,
LAND VEHICLES AND TROOPS TO PIN-
POINT THEIR LOCATION
WITHIN FIFTY MILES!

WOW! WHAT A
HELP TO
NAVIGATION!

SPACE
RIDE

WHAT'S THIS, MS. GRUNDY?

THAT'S A MODEL OF VOYAGER 1, AN UNMANNED EXPLORER SPACECRAFT LAUNCHED IN 1977!

IN 1979, IT REACHED JUPITER AND THEN HEADED FOR SATURN!

VOYAGER 2 WAS LAUNCHED IN 1977, PASSED THE PLANET VENUS IN 1986, AND SENT BACK THE FIRST CLOSE-UP PICTURES OF THAT DISTANT PLANET!

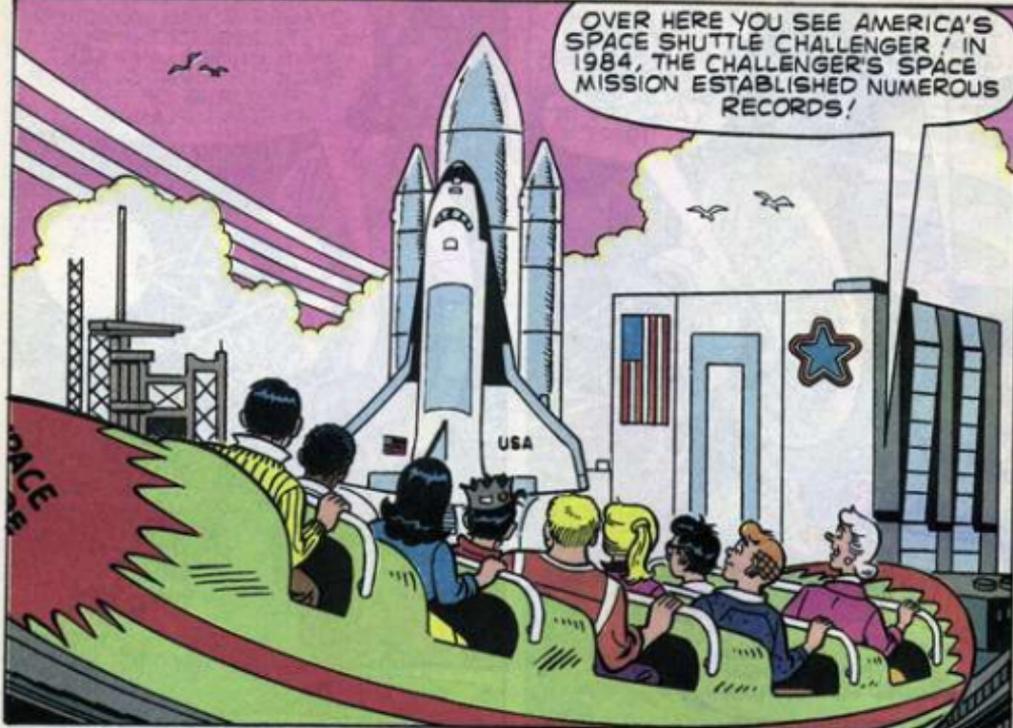

PIONEER 10, PICTURED HERE, WAS LAUNCHED IN MARCH OF 1972!

IN 1983, IT SPED PAST NEPTUNE, THE EIGHTH PLANET IN OUR SOLAR SYSTEM!

PIONEER 10 IS NOW IN DEEP SPACE! BUT IT'S STILL SENDING BACK DATA TO EARTH! ETCHED ON A SPECIAL PLATE ON PIONEER 10 IS A MESSAGE ABOUT LIFE ON OUR PLANET!

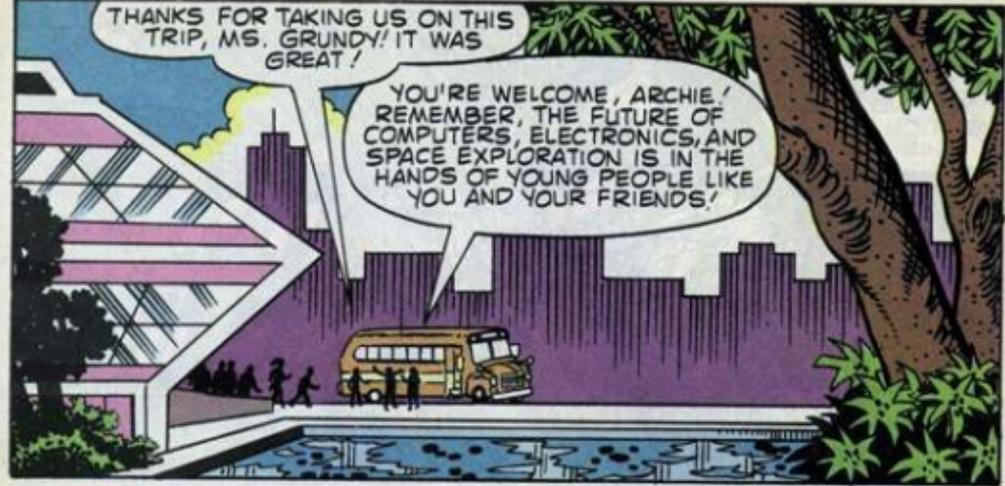

THANKS FOR TAKING US ON THIS TRIP, MS. GRUNDY! IT WAS GREAT!

YOU'RE WELCOME, ARCHIE! REMEMBER, THE FUTURE OF COMPUTERS, ELECTRONICS, AND SPACE EXPLORATION IS IN THE HANDS OF YOUNG PEOPLE LIKE YOU AND YOUR FRIENDS!

TO ADVANCE MANKIND AND MAKE THE WORLD A BETTER PLACE, YOU HAVE TO STUDY HARD AND LEARN ALL YOU CAN!

WE WILL, MS. GRUNDY! WE KNOW THAT...

...KNOWLEDGE IS POWER AND THE FUTURE BELONGS TO US!!!

RIGHT ON!

THIS COMIC IS RECYCLABLE!

LEARNING CAN BE FUN WITH THESE GREAT PROJECT KITS!

130 Project Lab Kit

- Start a Great Hobby In Electronics
- No Prior Knowledge Needed to Assemble

29⁹⁵

Everything you need to discover electronics—the exciting way! Build a radio, AM broadcast station, electronic organ, timer, logic circuits and dozens more. With built-in speaker, 7-segment LED display, two integrated circuits and rotary controls. Safe, simple coil-spring connections. Includes fully illustrated step-by-step manual. Requires 6 "AA" batteries. 28-259

60-in-1 Project Lab Kit

19⁹⁵

Teaches youngsters the basics of electricity, physics, electronics. Build a radio, metal detector, other projects. Earphone. Solderless. Requires 4 "AA" batteries. 28-261

AM and Shortwave Radio Kit

12⁹⁵

Hear BBC, Voice of America, WWV time, much more! Covers 3 bands: standard AM, 5.5-10 and 9-16 MHz shortwave. With earphone. Requires 2 "AA" cells. 28-176

Tune in the World

AM/FM Project Kit

12⁹⁵

Hear local AM and FM radio stations.

Preassembled tuner. Coil-spring assembly. Requires 2 "AA" batteries. 28-175

AM/VHF Project Kit

12⁹⁵

Listen to police, aviation and weather bands, plus the 550-1600 kHz AM band. Preassembled tuner. 108-135/148-174 MHz. Coil-spring assembly. Requires 9V battery. 28-163

Perfect "First" Radio Kit

6⁹⁵ "Plays Forever"

Plays without tubes, transistors or batteries. Like the first radios, a crystal converts RF to audio. Covers 550-1600 kHz. 28-177

Radio Shack

STORE™

OUR ENVIRONMENT

Who is Responsible for Keeping it Clean?

We frequently hear comments and questions regarding the environment. What effect will global warming have? Will we be able to drink our tap water in 20 years? Who is responsible for a clean environment? What will a clean environment cost?

As far as responsibility is concerned, everyone is responsible—individuals, groups and businesses. We at Tandy Corporation are vitally concerned with the protection of the environment. We continually look for methods to minimize the waste we generate, to manufacture using non-hazardous materials, to use degradable packaging, and to recycle as much material as possible.

I encourage everyone to get involved in this process, at home and at school. Concern for a healthy environment is not only good for our country, it is a sound business practice.

John V. Roach
Chief Executive Officer and
Chairman of the Board
Tandy Corporation

68-2015
